

# CFI – CCI Collaboration

12th-14th April 2025

Chennai Trade Centre

The Construction Federation of India (CFI) is a "Supporting Organization" for CCI 2025. This collaboration highlights CFI's commitment to supporting the growth and innovation in India's construction sector.

CCI 2025, was the ultimate B2B expo for construction professionals, to discover a world of construction innovation and networking opportunities.
